**Parent Participation Acknowledgement**

This is a cooperative nursery school in which the parents participate in both administration and daily school routine. A parent must attend one day per week with their child and fulfill the responsibilities of their assigned "job." Parents are responsible for attending monthly night time education meetings and fulfilling the requirements of a committee job that will be selected in September. Additionally, parents participate in an annual auction and open house. Parents must also participate in one clean up day per school year. I accept and acknowledge the duties associated with membership at the M-A Co-op and that this application fee is non-refundable.
